***More than welcome here
This is home, we belong
More than welcome here
This is Home, we belong***

It's healing to be welcomed
So good to be received
Now that we're in the circle
there's something more we need (to be)

Chorus

This welcome's from the Spirit
It's bold and wide and clear
We are woven together
We're missed when we're not here (We are)

Chorus

Beyond mere toleration
inside the open door
One in joyful communion
That's what we're longing for (To be)

Chorus
