

## **Table of Love**

*Words and Music by Josh Elson & Andra Moran

Here we are, you and me  
I wonder if we're supposed to be  
Here at this table  
Draw me in, as I am  
I hope that you will understand  
Why I come to this table of love

I am tired, I am worn  
I am broken, I am torn  
So I come to this table  
I let your peace fill my soul  
cleanse my heart and make me whole  
We're here at this table of love

### **Chorus:**

I come here to lay it all down  
You've come to lift me up  
Now we're forever bound  
By this bread, by this cup  
Here at this table of love

I was lost, now I'm found  
Since we've all gathered round  
Here at this table  
I was blind, now I see  
all the ways you welcome me  
Here to this table of love

### **Repeat Chorus**
