

# Love and Justice

Brian McLaren

Verse 1:      **Am**                              **G**                              **Am**  
The politicians lie to lengthen their regime

**Am**                              **G**                              **E7**  
The corporations buy souls for profit

**Am**    **G**                              **Am**  
The factories breathe acid and leak into the stream

**Am**    **G**                              **E7**  
And every day the earth gets hotter Who will stop it?

Refrain:                      **Am**      **Em**    **Am**      **Em**  
O God of love and justice, let your will be done!

**Am**      **Em**    **Am**      **Em**  
O God of love and justice, let your will be done!

Verse 2:      **Am**    **G**    **Am**  
Newscasters amuse, distracting from the truth

**Am**    **G**    **E7**  
The advertisers use sex for profit

**Am**    **G**    **Am**  
Entertainers choose to seduce our youth

**Am**    **G**    **E7**  
Life gets cheaper every day Who will stop it? *Refrain*

Verse 3:      **Am**                      **G**                      **Am**  
Terrorists plot violence and governments do too

**Am**    **G**                      **E7**  
Scientists and engineers improve our kill-power

**Am**    **G**                      **Am**  
Parents sit in silence not knowing what to do,

**Am**    **G**                      **E7**  
Who will stir the dying embers of good-will power?    *Refrain*

Verse 4:                      **Am**    **G**                      **Am**  
The churches pray for peace but then they vote for war

**Am**    **G**                      **E7**  
The preachers preach for profit and twist our story

**Am**    **G**                      **Am**  
No wonder people don't believe anymore

**Am**    **G**                      **E7**  
They're waiting for good news of hope and glory    *Refrain*

Verse 5:                      **Am**    **G**                      **Am**  
The human race is building a suicide machine.

**Am**    **G**                      **E7**  
The people cheer and dance as gears are turning.

**Am**    **G**                      **Am**  
When will we wake up from this self-destructive scheme

**Am**    **G**                      **E7**  
So everything can change God's kingdom coming!    *Refrain*
