Beyond beyond above above  
Your Spirit breathes and everything exists  
Before before, without without  
Without without  
It brings us to our knees to think of this.

***YOU ARE HERE. YOU ARE HERE.  
WE PROCLAIM YOUR NAME, YOU DRAW NEAR.  
PERFECT LOVE DRIVES OUT FEAR.  
WE BELIEVE, WE RECEIVE, YOU HERE.***

Against against, between between  
Reveal to us, oh God your Holy plan  
Inside inside, beneath beneath  
We are overwhelmed and understand:

***Chorus***
