Intro: **D | Asus/C# | Bm7 | Em/G |**

1.
D **Asus/C#**
When borders are being drawn
Bm7
And families are torn at the seams,
G
it's getting harder and harder to see
D
What any of this means.

D **Asus/C#**
When hate is having its day
Bm7
And children are shot in the street,
G
Sometimes there's no way
D
Death has lost its sting.

Chorus:

D **F#m**
Why are things so broken?
D **G**
Again and again we pray
D **F#m** **G** | **G** |
Where has all the mercy gone.

2.
D **Asus/C#**
The writing's on the wall;
Bm7
We just wish that we could sleep.
G
We wanna close our eyes;
D
We're not who we want to be.

D **Asus/C#**
We look in the mirror
Bm7
And we don't like the face that we find.
G
We pray that you are listening.
D
God, forgive us one more time.

Chorus

Bridge:

D **G**
We are looking for your face;
Bm7
We are calling out your name.
D
And if we're silent
G **Bm7** **A**
Even the stones will cry.
G **Bm7** **A**
Even the stones will cry.
G **A**
Hold us, show us
Bm7 **G**
Again and again your love remains.
G **A**
Hold us, show us
Bm7 **A** **G**
Again and again your love remains.

Ending:

D **F#m**
Everything's so broken,
G
Still your love remains.
