

"Ashes"

Intro: G D A

V1:

G D A
We are broken, we are bleeding
G D A
We are fractured, but we're healing
Em G A
We'll be whole again By the light of day
G D A
This our promise So we watch and wait

Pre-Ch 1: Bm / D / G / Em A

We need to grasp something that's real
The tangible, life-giving God who is here in

Chorus:

D A Em
Bread to sink our teeth into
G D
Wine to wind us down
D A Em
Water to cleanse all we've been through
G D
Ashes to keep us on solid ground

V2:

G D A
Disconne-cted, how we fail to find
G D A
God's own presence in another's eyes
Em G A
We all cause some pain, We all bear the wounds
G D A
Of the walls we build, Help us break them through

Pre-Ch 2: Bm / D / G / Em A

You never stop making us new
God, wake us up, shake us up, take us back to...

Bridge:

Em D G Bm A
From dust we came and to dust we will return
Em D Bm A (G to chorus)
This flesh and bone be grounded in holy earth
