*Matthew 11:28 "Come to me, all you who are struggling hard and carrying heavy loads, and I will give you rest."*

1.

4/4 D

  A/C#  
Come you who've been wounded  
C                                  G/B  
All you who've lost hope  
Bb                          F/A  
Come you are longing  
      G                      A  
For what you do not know.

2.

D                                  A/C#  
Come you hungry for justice  
C                                  G/B  
Aching for heaven on earth  
Bb                              F/A  
Come you who've been tossed aside  
              G                              A  
And don't remember what you're worth

**Chorus:**

                                  D  
Come as you are  
                                  Am  
Come you weary  
                                  C                              G  
Come and lay your burdens down  
                                  D  
Come as you are  
                                  Am  
Bring your hopes  
                                  C                              G  
Bring your doubts and your scars  
                                  D D/C G/B Gm/Bb  
Come as you are

3.

D                                  A/C#  
Come you who've been cast out  
C                                  G/B  
All you who've been shamed  
Bb                              F/A  
Come you who are looking  
              G                              A  
For that mystery you can't name

4.

D                                  A/C#  
Come you crying for mercy  
C                                  G/B  
Hoping for peace on earth  
Bb                              F/A  
Come you carrying questions  
G                                  A  
All you who've been so hurt

**Chorus**

**Bridge:**

                                  D                  D/C                  G/B                  Gm/Bb  
Oh you misfits and prophets and you sinners and saints  
                                  D                  D/C                  G/B                  Gm/Bb  
Oh you broken and needy, weird and weary and faint  
                                  D                  D/C                  G/B                  Gm/Bb  
All who seek to simply open their eyes  
                                  D                  D/C                  G/B                  Gm/Bb  
All who need to find a safe place to cry

**Chorus (repeat)**
