Intro: | G | |

Verse 1:

Em7 G/F# G Cadd9
In times like these, all hope seems lost as we wander through the wilderness;
Em7 G/F# G Cadd9
In this disease, we're turned and tossed as our neighbors find new ways to oppress.
Am7 C/B C
As we withstand the storm, will we be transformed so that one day truth may be restored?
C/B Am7 C/B C D
Out of isolation, be the invitation into one love, one mind, of one accord.

Prechorus:

C D Em7 G Cadd9 G/B Am7
We are starting again, though we bear the weight of all through which we've been;
(Am7) D Em7 G Cadd9 G/B Am7
As we journey down this road, we are called to carry on and share the load...

Chorus:

G Cadd9 G Cadd9
How then shall we gather? How then shall we lament?
G Cadd9 G | G G/F# |
How then shall we hope? How then shall we live?

Verse 2:

Em7 G/F# G Cadd9
We've drifted apart through time and space; how will we overcome the distance?
Em7 G/F# G Cadd9
When fear rules hearts and hate is embraced, what chance do we have for coexistence?
Am7 C/B C
What can we let go as we learn to grow as disciples for justice in Christ's way?
C/B Am7 C/B C D
Seeking liberation in co-creation, we will breathe new life into each day.
