

Love Is Not Always Comfortable

Christian McIvor

Love is not always comfortable and truth is-n't always so clear. So,

push us, pull us, shape and transform us, o - pen our hearts to you.

Love is not always comfortable and truth is-n't always so clear. So,

push us, pull us, shape and transform us, o - pen our minds to you.

Love is not always comfortable and truth is-n't always so clear. So,

push us, pull us, shape and transform us, o - pen our lives to you.
