

## The Ten Commandments Song

### Chorus:

C                                  F                  G  
 Ten Commandments because God loves us  
 C                                  F                  G    C  
 Ten Commandments and here they are.

- 1** Don't fool yourself: There's only One God.  
 C                                                  F      G      C
- 2** God's name is special, so use it that way.  
 F                                                  G                  Am
- 3** Dedicate your work, play and rest all to God.  
 F                                                  G                  C
- 4** Respect the ones who care for you.  
 F                                                  G      C
- 5** Life is sacred. Love it all.  
 F                                  G      C
- 6** Love is sacred. Keep it pure.  
 F                                  G      C
- 7** Ask for what you need, don't take.  
 Dm                                                  G      C
- 8** Be kind, kind, kind with your words.  
 Dm                                                  G      C
- 9** Help your neighbor keep what belongs to them.  
 Dm                                                  G                  C
- 10** Move your holy heart to bless what others have.  
 Dm7                                                  G                  C
