Verse

Here we are. We are here.
Living our lives on the earth.

Here we are. We are here.
Humans of earth, of the earth.
Made of love, made to love

Chorus

Loving earth as we love ourselves.
All of life. All creation.

Bridge

From living soil
We were formed
You breathed into us
Living souls.
(repeat)

Verse

Here we are. Together here.
People of earth, of the earth.
Made of love, made to love

Chorus

Loving earth as we love ourselves.
All of life. All creation.
