In this frozen town
Are you broken down?
Have you found your way around here?
Run your daring dreams around here?
You've settled down.

***Jesus newly form your beauty
Heavenly surround
Breathe in story sing out glory
We're gracefully allowed.***

What we hold to now
Is that we hope out-loud
It takes a crowd to figure how near
The Lord God moves around here
Round and round

***Jesus newly form your beauty
Heavenly surround
Breathe in story sing out glory
We're gracefully allowed.***

What we hold to now
Is that we hope out-loud
It takes a crowd to figure how... (Repeat)

***Jesus newly form your beauty
Heavenly surround***
