There's a light that shines into the darkness.
There's a song that rises from the earth.
There's a hope that guides us on our journey.
There's a love that springs to life new birth.

***Light my step, guide my feet.
Show me the path for my life.
In Your love, rescue me.
Light my step, guide my feet.***

There are times when loneliness surrounds you,
and when the pain, it seems too much to bear.
Can you hear the voice of love that calls you?
In your grief, know that someone cares.

Chorus

There are times when we are called to journey.
When the road ahead becomes unclear.
Just take one step and know that God is with you.
Walk in faith and know that God is here.

Chorus

Light my step, guide my feet.
