## VERSE

F Am  
It's so easy to lie.  
G  
It's so easy to hide.  
F  
Pretend and go along  
  
And act like nothing's wrong.

F Am  
But it's so hard to believe  
G  
What we can do  
F  
Will be enough.

## CHORUS

C Dm  
You are enough  
Am  
I am enough.  
F  
Breathe in the love  
C  
We are enough.  
Dm  
You are enough  
Am  
I am enough  
F  
Breathe in the love  
C  
We are enough

*Interlude:* C Em F

C Em Dm Em

## VERSE

F Am  
It's so hard to show up  
G  
And so hard to trust love  
F  
To confess what's torn inside  
  
Admit the tears you cry.

F Am  
And it's so hard to believe  
G  
What we can say  
F  
Will be enough.
