## **Chorus 1 (Intro low)**

Let's rejoice that we all are cherished  
Rejoice that we've been set free  
I said rejoice, to the brokenhearted  
Surrender all your burdens

## **Chorus 2**

Rejoice that we're still God's children  
Rejoice in God's faithfulness  
I said rejoice, you never were rejected  
No one can take God's Love away

## **Verse 1**

You were there, right by my side  
when the world did try  
Try to deny that Your love was mine  
tried to crush my spirit again

## **Verse 2**

So these dry bones cry  
out with Your praise  
and I rest inside  
Inside your embrace  
There's so much I still  
Still can't explain  
but I know that I'm loved so I raise up your name

## **Chorus 1**

Rejoice that we all are cherished  
Rejoice that we've been set free  
I said rejoice, to the brokenhearted  
Surrender all your burdens

## **Verse 2**

so these dry bones cry  
out with your praise  
and I rest inside  
Inside your embrace  
There's so much I still  
Still can't explain  
but I know that I'm loved so I raise up your name

## **Chorus 1**

Rejoice that we all are cherished  
Rejoice that we've been set free
