***Jesus said, if we only love people who love us back,  
Then we’re not doing anything special, ‘cause the whole world does that.  
Jesus said, God gives sun and rain to ev’rybody, good and bad  
And if we want to follow in Jesus’s way, we need to love like that!***

Jesus said when we make peace,  
That’s when we’re acting like his family,  
Choosing love shows who we are,  
Especially when others make loving them hard!

### ***Chorus***

Jesus said love enemies,  
That’s when we’re acting like his family.  
Choosing love shows who we are,  
Especially when others make loving them hard!

### ***Chorus***
