God’s here now, don’t be scared.  
Wherever we’re going,  
God’s already there!  
Up ahead and right behind,  
God is here and God is there.  
Even up in the air?

Yup! God’s there.

Ev’rywhere means we’re never alone,  
and when we need God  
we don’t need a phone.  
‘Cause God is inside us  
And God hears prayer  
Even when it’s real quiet...shhhh...

God’s there!
