Love, be in my waking. Love be in my sleep.
Love, be in my laughter. Love, be in my grief.
Love, be in my mouth and words. Oh, Love in my hands and feet.
Love, be in my breathing. Love, be my everything.
Oh, Love, be my everything.

Love, be in my anger. Love, be in my woe.
Love, be in my joy and bliss. Every today and tomorrow.
Love, be in my longings. Love, be in my fears.
Love, be my broken dreams and Love, be in every tear.
Oh, love be in every tear.

Compassion in these eyes. Kindness in this heart.
In this crazy crazy world, Love, be my everything.
Oh, Love, be my everything.

Love, be in my working. Oh, Love, be in my play.
Love, be in my dreaming. Oh, Love, please guide my way.

Compassion in these eyes. Kindness in this heart.
In this oh so crazy world, Love, be my everything.
Oh, Love, be my everything. Oh, Love, be my everything.
