Deliver Us
Psalm 58
Words and Music by Richard Bruxvoort Colligan

Disarm the terrorists, tear out the lion's teeth
Uproot corruption even if it's served us
Shut down the Violence, Once again make us free
Against, away from systems that enslave us.

Deliver us, deliver us
Bring on the holy upheaval and deliver us
Deliver us from evil

We've been oblivious, we've fed the system beast
The bramble's grown up to entangle all of us
Forgive our arrogance, the snake can't hear or see
Deliver us where one of us needs justice.

Chorus

There's only one of us, show us the holy way
Uproot corruption even if it's served us
Renew our sense of life, once again make us free
Against, away from systems that enslave us

Chorus
