

## Psalm 23

**E                    A                    E                    A**  
**The Lord's my Shepherd, I shall not want 4X**

G#-                    A                    E  
You take me to those pastures green  
G#-                    A                    E  
Lead me to water that's so still  
F#-                    G#- A  
Restore my soul, lead me down the right path  
F#-                    G#- A  
This is what you do.

Even though I walk through the darkest valley  
I will fear no harm  
And you comfort me with everything you got  
You are always with me

In the face of my greatest fears  
you set a table for me  
You drench my head with finest oil  
My cup surely overflows

Goodness and mercy shall follow me  
All the days of my life  
and I will stay here in your house  
Till I draw my final breath
