Verse 1:

If you want me to lead  
If you want me to follow  
I...I will

If you want me to go  
If you want me to stay here  
I...I will

I will give my all...

***Here we are...Here we are  
Here we are...An offering***

Verse 2:

If you want me to grow  
Or bloom where you plant me  
I...I will

If I should let go  
Or if you want me to hold on  
I...I will

I will give my all...

***Chorus***

***Bridge:***       Sacrifice from me you do not require  
                  I delight to do your will

***Chorus***
