

“Remember Mercy”

Music: Elsa Harris and Gary Rand

Lyrics: Lenora Rand (based on the Magnificat)

My soul magnifies You Lord

My soul glorifies You Lord

For You have seen me, known me

You have not forgotten me.

You have filled me with good things

You O Lord, remember mercy.

We will Magnify, Glorify

You oh Lord, hear the hearts that sigh

You oh Lord, make the humble rise

You O Lord, remember mercy.

From generation to generation

You O Lord remember mercy.
