I wait for you God, my soul waits and in your Word alone I hope
I wait for you God, my soul waits and in your Word alone I hope
More than those who watch for the morning
More than those who watch for the night

You who made me see many trials, will revive me once again.
From the depths of the earth you will raise me up again
And comfort me once more, but for now I wait, I wait.

God give me patience, God give me strength
God give me patience, God give me strength
God give me patience, God give me strength
God give me patience, God give me strength
God give me strength, and in God's Word alone I hope.
