***Don't be afraid to share
'Cause there is always more where
This comes from...gifts come from
The Never-ending Source, Never-ending Source
This River never runs dry
Divine Abundance is why
We can share our gifts and our love
Because there's more than enough***

Sometimes all we can see is scarcity
How will I measure up?
What if I'm not enough?
What if I give too much away?

Truth is there is enough for everyone
When we are free to risk
Trusting that God's got this
Love multiplies our gifts
Again and again and again and again!
