Let's make a tiny little world and call it God's world,  
Where people don't bully and our hearts are true and kind.  
Let's make a tiny little house and call it Hope House,  
Where people aren't greedy and we leave our fears behind.

***A little bit of light, in a world full of night  
A little bit of warm, in a world full of storm,  
A picture of the world we really wanna see.  
God is planting hope in this world with people like you and me!***

Let's build a world where love and mercy grown like gardens,  
Where people aren't hungry and nobody's turned away.  
Let's build a world where people understand each other,  
Where anger and prejudice can never rule the day.

### ***Chorus***

***Bridge:*** Let's build a place where the door is always open,  
Where friendship and forgiveness is simply what we do.  
Let's build a place where we learn the art of loving.  
We love our friends and neighbors, and love the stranger too!

### ***Chorus***
