

Tear Down the Walls

Chorus

Tear down the walls, tear down the walls
Tear down the walls between us.

Verse 1

The clenched fist, the cordoned off heart
The border lines always keeping us apart.

The crossed arms, the closed up ears
The long high fence always keeping us in fear

Verse 2

The downcast eyes, the hard grip of hate
The words we shout and the words we
do not say.

The slow burn, the anger we feed.
Scarring souls with the lies that we keep.

Chorus 2

Bridge

We bring the wood, the iron, the concrete, the fire
We build these walls every day.
We carry the hurt, the fear, the shame and the tears.
Our beautiful barricade.
These walls - we hate them.

But these walls, we make them.
These walls – it's time to break them.

So I can see you, so you can see me too.
