

## These Bodies

### **Half Chorus**

You gave us these bodies and you called them good *(repeat)*

### **Verse 1**

We are easily damaged, have you seen the scars?  
That's just scratching the surface, more beneath where those are.

### **Chorus**

You gave us these bodies and you called them good *(repeat)*

May we love them as you do. Let us love them as you do.  
Inside, outside, through and through. Let us love them as you do. *(last time to Coda)*

### **Verse 2**

But we do so much damage. Have you seen the scars?  
We keep hurting each other. Sometimes that's just how we are.

### **Chorus**

### **Bridge**

These bodies, these bodies, they are fearfully, wonderfully made.  
Don't believe the lies some will say.

No, our flesh and bones, our hearts and hands are loved in every way.

Our flesh and bones, our hearts and hands are loved in every way. *(To Chorus)*

### **Coda**

Let us love them as you do.
