

# CONVERGENCE MUSIC PROJECT

MUSIC FOR A JUST AND GENEROUS CHRISTIANITY

## ***Do It Afraid***

*Music and Lyrics by Bryan Sirchio  
Inspired by a story told by Rev. Traci Blackmon*

***Sometimes, we just do it afraid  
When the fear won't go away  
Then we just do it anyway  
Sometimes, when the fear's still there  
Then we offer up a prayer  
For a way to be brave  
And just do it afraid, do it afraid  
Do it afraid, do it afraid***
