

Ashes to Ashes

We watch, we wait
We hope, we pray
We try to take
A path that returns to You

Ashes to ashes, water and rust
We are but dust on the sunbeam You hold in Your hand
You call us by name
And we rise from ashes again

A breath of life,
A thirst, a fire
We live our lives
To know that we're called by Love

Ashes to ashes, water and rust
We are but dust on the sunbeam You hold in Your hand
You call us by name
And we rise from ashes again

My soul is thirsting for You, I long to see Your face
My soul is thirsting for You. Fill me up.
